MEMORANDUM FOR: NSA/TCO

ATTENTION:

25X1A

THROUGH:

SUBJECT: Selected Cuban Naval Bases and Cruise Missile Associated Areas

REFERENCES: Requirement [ ] NPIC Project No. 1023-64)

25X1D

25X1A

1. Photography for the requirement was selected from [ ] Missions dated [ ] inclusive.

2. The following is submitted for your information and guidance:

a. Cabanas Naval Base - Cabanas SAM Site [ ] is now abandoned and was dropped from the COMOR Target Listing. The tents and associated facilities have been removed from the principal pier and no activity has been observed to date.

b. Cienfuegos Torpedo Storage Area, Rio Gavilan - not identified as such by NPIC. La Sierra U/I construction activity is located at 21-57N -080-18W.

c. Guerra Cruise Missile Storage Area ([ ] - Site is now abandoned, and has been dropped from the COMOR Target Listing.

d. Cienfuegos Bay - Due to size, the area cannot be covered by enlargements or by an individual print, as desired. Twenty contact prints covering the Bay area are included in lieu of the desired enlargement.

3. Twelve annotated, and 12 unannotated enlargements, and 40 contact prints are attached to this memorandum.

Declass Review by NIMA/DOD

Assistant for Photographic Analysis, NPIC
